Dear Class of "62",

Joann and I would love to attend your class reunion on June 27 but we will be in England on that day and it would be diffinet to "drive over"!

I retired July 1 1986 and am enjoying my retirement. Also maybe you know I flew out of England during World War II and have always wanted to go back for a visit. My dream is finally coming true. We will be on a tour of Ireland and England until June 30.

Our Daughter Patti "Young" is a teacher in Monona Wis and lives in Madison. Her husband is a psychologist. No children.

Daughter Mary "Gallup" lives in Janesville and teaches HS science in South Beloit. Her husband is a teacher in Janesville. They have our only two grandchildren Jason 8 & Jennie 6.

We hope you have a great time at your reunion and please say hello to everyone for us.

Sincerely
Dave & Joann
Mc Ginnis

Delbert McGinnis

Delavan man recognized for alumni service

WHITEWATER — Delbert L. McGinnis, superintendent of the Delavan-Darien School District, is one of four University of Wisconsin-Whitewater graduates who will be honored with the Distinguished Alumni Service Award at the 11th Annual Founders Day observance on April 21.

Also receiving the 1985 awards will be former Beloit resident Alvin C. Jensen, class of 1958, associate dean, College of General Studies, George Washington University, Washington, D.C.; Kathleen Fahey Harty, classes of 1953 and 1958, principal of Midvale School, Madison; and Karen Gunderson Weissman, class of 1966, New York City artist.

They will receive medallions given for community, professional and alumni service at a noon buffet. Other alumni events also will be held.

As a student, McGinnis lived in Clinton. His undergraduate years were interrupted by World War II and he graduated in 1948 before beginning his teaching career in mathematics and science at Genoa City High School. Going to Orfordville in 1949, he taught the same subjects and coached before serving as administrator there from 1952-58.

He received his master's degree in school administration at the University of Wisconsin-Madison in 1954. He became superintendent of schools for the Delavan-Darien district in 1968 and continues to serve there.

Past Orfordville Teacher Wins Excellence Award

WHITEWATER – Dr. Mary Margaret O'Connell, Associate Professor of Business Education at the University of Wisconsin-Whitewater, was named winner of the 1972 Excellence in Teaching Award, Saturday, during the 103rd annual spring commencement exercises at UW-Whitewater.

A native of Wisconsin, Dr. O'Connell received her bachelor's degree from UW-Whitewater in 1961. She received her master's degree in business education from the University of Wisconsin in Madison in 1964, and her doctorate from UW-Madison in 1967.

Dr. O'Connell came to the University of Wisconsin-Whitewater faculty in September, 1967 from Nicolet High School in Milwaukee. She had previously taught at Orfordsville High School and Wisconsin High School in Madison.

Dr. O'Connell is a member of the Wisconsin Business Education Association, the Wisconsin Education Association, Pi Lambda Theta and the Milwaukee Area Business Education Association. She resides in Madison at 6128 Overlook Drive with her husband.

Dr. Mary Margaret O'Connell was the recipient of the 1972 Excellence in Teaching Award at the University of Wisconsin-Whitewater. Dr. O'Connell received her award during the 103rd annual spring commencement ceremonies at UW-Whitewater, Saturday. Presenting the award is UW-W Chancellor William L. Carter. (David Peremark Photo)

Mr. Keith Ferguson

Beloit, WI 53511

Dear Keith:

It can't be 25 years since the 'class of 62' graduated, and I was a teacher at Orfordville! Your letter caused me to think back over the two years I taught at OHS and the many fond memories of that old school building and the activities that were a part of the high school. I need to dig out the yearbook (it's in the attic somewhere) to recall the names of the great students and to remember how I was placed in charge of the yearbook for my first two years of teaching. We went to a printer in town, and thanks to the wonderful students on the committee, the yearbook turned out well--at least by the standards of those years.

Since leaving Orfordville, I have become involved in many professional activities after completing a Ph.D. in Madison. Currently I am serving as president of the North-Central Business Education Association and because of that position, I will be in Nebraska during the time of your class reunion. I'm sorry there is this conflict, as I would enjoy coming back and getting re-acquainted with everyone.

As your letter requested, I'll give you a brief summary of activities that occupy my time. I'm a professor in the College of Business at UW-Whitewater, have authored a couple of books, developed many conferences just completed the task of chairman of the state business education convention, have served as president of the state Wisconsin Business Education Association, served on the regional board and on the national executive board and continue to serve on the state, regional, and national boards. There are innumerable activities I have been involved with in these professional organizations and on campus, but rather than bore you with those, I'll move on. My husband and I live on a 'hobby farm' where we raise steers for market, have horses, three gorgeous show collies, lots of cats, and some turkeys. We use to raise hogs and sheep, but it all got to be too much work for a "hobby." Perhaps the farm orientation you all gave me at OHS provided the motivation to move to a farm, since I had no idea of living in the country or raising animals 25 years ago! We have land on a lake in McFarland, where we use to live, and enjoy water skiing and boating in the summer.

Please say hi to everyone at the reunion. I haven't seen most of the teachers who were at OHS in 1962 in all these years. Much happiness and success to all of you. Please include me for the next reunion.

Sincerely,

Mary Margaret O'Connell

Dear Class of 62

Thanks for your kind invitation to your Reunion. Joyce & I would like to be there but we will be in California celebrating 30 years of marriage. Eleven of those were in Oxfordville and we enjoyed them very much.

I'm thinking of staying in education one more year and that will make 32 years. Jackie and Jill my two girls both live in Dallas so we get down there 2 or 3 times a year. John just graduated from the U. of Wisconsin and is job hunting. We are still looking forward to our first grand child ???

I hope you have a great time on the 27th and have a cool one for me. If you decide to get together in another 5 years keep us in mind.

Sincerely
Dale Barry
